

2025 Maryland Independent Colleges and Universities Association (MICUA) Cultural Diversity Report

As required by §10-211 of the Education Article, each independent higher education institution must submit a report on programs designed to promote and enhance cultural diversity on its campus to the Maryland Independent College and University Association (MICUA) by July 1 of each year.

The Association is then required to submit a report on the status of those programs to the Maryland Higher Education Commission on or before September 1 through this form.

If you are one of the independent institution members of MICUA, please submit your report directly to the association.
