

2026 Maryland Independent Colleges and Universities Association (MICUA) Cultural Diversity Report

As required by §10-211 of the Education Article, each independent higher education institution must submit a report on programs designed to promote and enhance cultural diversity on its campus to the Maryland Independent College and University Association (MICUA) by July 1 of each year.

The Association is then required to submit a report on the status of those programs to the Maryland Higher Education Commission on or before September 1 through this form.

New in 2026: The report submitted to MHEC must explicitly reference programs of cultural diversity at all 13 MICUA institutions.

If you are one of the independent institution members of MICUA, please submit your report directly to the association.
